The Award of Excellence Awards is a volunteer service provided to the members of The Robertson County Association of REALTORS® for the purpose of honoring the members of the Association who achieve certain and specific sales achievement. It is not a contest with winners or losers but rather an opportunity for recognition for those who have qualified Real Estate Sales. The Robertson County Association of REALTORS® reserves the right to exercise their discretion in determining whether a nominee qualifies. The decision of the Award of Excellence Committee is **FINAL**.

NOMINATION PROCESS

1.1 In order to be considered for the award each eligible person must be nominated by his/her Broker. The nomination must be on the proper form(s), fully completed and signed by the Broker. If a nominee has more than one Broker in the year, each Broker must sign to verifying the nominee's sales while at that company.

1.2 **The deadline is 12:00 PM on February 16, 2024!** The completed application, supporting documentation and current photograph must be received in the Association Office by that time and on the proper form(s) in order to be considered.

1.3 The deadline is absolute. Excuses, whether valid or not, do not extend the deadline. **The Committee recommends nominees to submit their applications before the deadline.**

1.4 **LIFE MEMBER:** The life member status is available to an eligible person who has received the Award of Excellence for five out of the last seven cumulative years starting in 1984. If you believe that you qualify for this award, be sure to state this on your form in the appropriate place. A life member plaque will be awarded to *New* Life Members. The life member status will carry over from another Realtor® Association provided the member can furnish documentation acceptable to the Award of Excellence Committee.

1.5 You can only be recognized in one category, individual or team. You cannot qualify for both categories. Please make sure that you indicate which category is to be considered when you are submitting the awards application.

FORMS AND DOCUMENTATION

- 2.1 All forms must be legible and filled out correctly and completely. If it is not complete, then that sale will not be computed into the total. Computer generated forms will be accepted, but must be in the same format as the Association form.
- 2.2 An agent productivity report is required on all MLS sales (must be MTRMLS or other MLS generated documentation).
- 2.3 Non-MLS transactions must be itemized on the form provided and a copy of the signed closing statement and the portion of the sales contract showing this information needs to be included in the awards submission. ***DO NOT SEND THE ENTIRE CONTRACT.**
- 2.4 The total on the non-MLS sales to be added to the bottom of the MLS agent productivity report for the grand total and noted on the cover sheet.
-

PERSONS ELIGIBLE

- 3.1 Any Robertson County Association of REALTORS® member who is licensed as a Broker or Affiliate Broker and is/was an active member for at least 6 months of the award year is eligible.
- 3.2 A NON-REALTOR® AGENT IS NOT ELIGIBLE FOR THE AWARD UNLESS THEY ARE BEING SUBMITTED AS PART OF A TEAM. It is the responsibility of the nominee to confirm his/her membership status with the Robertson County Association of REALTORS®.
- 3.3 Only one category of award eligibility is permissible. If you are submitting as a Team, then you only qualify for the team award and not the individual award category. Any non-members of RCAR that are part of the team and the team leader wants to recognize, the Broker will be responsible for the cost of the team medallion for that recipient.
- 3.4 A member must have no outstanding financial obligations to the association in order to qualify.
-

REQUIREMENTS TO QUALIFY

- 4.1 The following is a breakdown of the levels of the Awards for qualifying:

<i>Award Level</i>	<i>Individual Net Sales</i>	<i>Team Net Sales</i>

Gold	\$3,000,000 - \$4,999,999	\$5,000,000 - \$6,999,999
Platinum	\$5,000,000 or greater	\$7,000,000 – or greater

With each category the nominee must have qualified net volume of sales and/or leases during the applicable calendar year. A Team shall be defined as a Real Estate Team with a minimum of 2 people working and marketing themselves collectively as one unit in the Real Estate industry.

4.2 Only “CLOSED SALES” which have been closed during the applicable calendar year will be considered. Letter of intent, contracts, options and the like are not to be considered.

4.3 Only sales which have been closed and commission paid or note taken in lieu of, during the applicable calendar year shall be considered. A referral fee is not a commission. No portion of a sale for which a nominee received a referral fee may be counted toward sales volume.

4.4 Primary leases will be considered only in the year in which the lease is fully executed by all parties, all contingencies have been removed and the lease is in full force and effect.

4.5 All lease transactions must be substantiated by a copy of the lease and any other documentation required by the Awards Committee.

4.6 If there is more than one listing agent, the listing agents involved shall divide that half of the volume of the transaction evenly among themselves for the purpose of reporting the sales/lease to the Award of Excellence Committee. All Co-list information shall be clearly indicated on the application.

4.7 If more than one selling agent, the selling agents involved shall divide that half of the volume of the transaction evenly among themselves for the purpose of reporting the sales/lease to the Award of Excellence Committee. All Co-Sales information shall be clearly indicated on the application.

VERIFICATION

5.1 Each nomination will be subject to the review by the Award of Excellence Committee for verification. Any transaction not reported on the proper form, or not sufficiently documented, **MAY BE REJECTED**. The committee shall have the right, but not the obligation, to request from nominee, or the nominee’s Broker, additional information to verify satisfactorily a transaction which is to be considered.

5.2 **TO IMPROPERLY** give or receive credit for a transaction, or to falsify information is a **VIOLATION** of the rules. Those appearing to have done so will be reported to the Professional Standards Committee (By-Laws Article VI, Section 2).
